---

### **Our Standards:**

Whether it comes to efficiency or a relentless attention to detail, we pride ourselves on having the highest standards in the business. Every single one of our cleaners are trained to use our unique and exclusive cleaning process. Not only does this make them the best around, but it ensures that you get the job done right every time. Besides we are licensed, bonded and insured.

### **Prices and Fees:**

The rates provided by DB Cleaning Services are based on the information provided by the owner and condition of the house or any other space at the moment of estimate and time we start the services. The rates will go up when added, pets, roommates, area rugs, change of floors from carpet to hardwood, tile or any bare floors as it will make the cleaning process difficult. We base our estimate on the nature and frequency of your work schedule according to the following fee schedule:

**1. Hourly: \$60** per MAN-HOUR. Services charged on a hourly base are Deep/Spring Cleaning, Move Ins/Outs, Initial Cleanings, and other services. 2 man-hours minimum or \$300 minimum to start a project. Please note: Price will vary from \$60 to a higher hourly rate depending on each project and complexity, emergency, weekends. For more detailed information you may call our office at 215 253 6112 to be quoted accordingly on your project.

**2. Package/Job Price:** Our flat rates starts at \$150.00 - \$300.00 minimum and it varies according to square footage, frequency and additional requests on any home/office with the maintenance cleaning. Most of our clients opt for this pricing arrangement. Ideal for the same job, every occasion. Prices are based on client's needs. You are in control to choose what you deem necessary. DB Cleaning will offer a custom plan based on client budget and needs.

**3. Change of Frequency:** If your cleaning appointment varies from our original plan, your fees will be adjusted. For instance, if you are originally scheduled for a biweekly service and convert to monthly, your fees will be increased. If you are a monthly client and convert to biweekly, your fees will decrease.

**4. Skipped Cleanings and Rate Adjustments:** If a scheduled cleaning is skipped without rescheduling, the service rate will be automatically adjusted to reflect the new frequency. For example, if a weekly cleaning is skipped, the following visit will be charged at the bi-

---

weekly rate. Similarly, if a bi-weekly service is skipped, the next visit will be billed at the monthly rate. This adjustment ensures that pricing remains fair and consistent with the actual service frequency.

#### **Our Code of Ethics:**

We will always be respectful in your home/office. There is no smoking, eating or drinking other than water)in your home/office, nor do they watch TV or play the radio. They do not answer the phone unless our office team is communicating with them which is mandatory, however, they are not allowed to use their phones for personal use, they are also not allowed to answer your door unless you request them to. Our only purpose while in your home/office is to clean while we are there. In any event our teams are not following any of these conducts please contact our office right away so we may take appropriate actions.

#### **Your Cleaning Team:**

We TRY to send the same Cleaning Technician Crew each visit, however in some situations it may not be the same, in this case we make every effort to offer as much consistency as possible. We maintain detailed cleaning notes on each of our clients, so you will likely not notice a difference; we will do our best to attend to your particulars.

#### **Supplies and Equipment:**

We provide our own cleaning products including cleaning agents and microfiber towels. Some of our clients requests green practices to not use paper towels or certain types of cleaning products, we are happy to provide either way, we have available the best eco-

---

friendly cleaning products. All tools and supplies are disinfected after each home/ office is cleaned, to provide an additional layer of preventing cross-contamination. We use our own professional vacuum, but we can always use yours if you deem necessary. We ask you that you only provide a roll of paper towels and trash bags, any other supplies is not necessary unless requested by you to use yours or if you wish the team to use something specify for your granite, wood floors, etc, you will need to provide any specific cleaner you would like them to use on your home/office/space.

**Arrival Time:**

Please allow us the flexibility of scheduling the start time of our cleaning between 8:00 a.m. and 5:00 p.m. We try to schedule our cleanings in an order that requires the least amount of travel time in between locations, an effort to maintain our prices and avoid trip fees. If you require an AM or PM clean time we will make every effort to accommodate your request however no specific times are guaranteed.

**Scheduling Times:**

Generally, cleaning schedules start at 8:00am and end by 5:00pm. We try to schedule enough people to complete your house in two hours or less for homes in average size of 2,000 Sqft more or less. Please note: Bigger homes may only take two hours if under a custom plan, unless depending on all areas to be cleaned it will take more than two hours. Please, also keep in mind, these are only guidelines we follow, and we will take enough time and effort to make sure your home is spotless clean. If a particular arrival time is important to you, please request a “first” or “second” time slot as these tend to be the most predictable. Subject to availability, we can also offer you a before or after lunchtime arrival slot. Please note that we can not guarantee a specific time.

**Schedule Exceptions:**

We do our best to stay on schedule and happy to set up regular service, however, if a change is necessary, we will let you know as soon as possible and would ask that you do the same. Please contact our office at (215) 253 6112 - NOT YOUR CLEANER - for scheduling changes. We also reserve the right to suspend or reschedule a service appointment, in the following events:

---

**1. Holidays:** If your cleaning service lands on the following holidays, such as New Year's Day, July 4<sup>th</sup>, Thanksgiving Thursday, and Christmas Day we will reschedule for another day during that same week or the following or we can just skip it and resume on the next scheduled visit. The following days we have a lot of requests and limited shifts available: Thanksgiving Friday, Christmas Eve, December 26 and New Year's Eve.

**2. Weather Condition:** In the event of snow and ice or rain, we will still come and clean unless the road conditions aren't safe enough for driving or not allowing us to come to you due to the danger incurred. Please note we may not be able to provide enough notice we are not coming as we strongly suggest you to watch your Local News and check with our office starting at 7 am to find out if your service is affected with either delays or cancelled for that day. If possible and subject to availability, we try to anticipate closures and reschedule for an earlier day. In the event of snow or ice which does not lead to a closure, we always appreciate a shoveled and salted path to your door. In the event of rain, the same guideline will be practiced. Please note that roads get slower and your schedule may be affected.

**3. Road Work, Accidents or Closures:** In the event of road accidents or construction going on on roads to your location, detours due to any other event we may not control, we will still come and clean, unless no other optional road (for farther locations) is allowing us to get to you on a timely manner. We will contact you if that is the case and re-schedule your service to the next available spot on our schedule. Please keep in mind in these situations delays will occur with an estimated arrival time. In the event of an accident happens with one of our teams, we will assess the whole situation and their schedule, we will either still have them come if something extremely minor and not impacting their ability to work, but please do allow delays in these circumstances. Should we assess they won't be able to continue to work due to an injury or lack of transportation or for any other reason they may not be able to continue, we will work on the schedule to best assist you. If we do have a team available close by the area we will try that option first, otherwise we will need to re-schedule your service and will advise you of that. Please keep in mind we are not able to provide enough notice and advise of any changes until we also know better what the schedule will become like for that day.

---

**4. Heavy Traffic:** Our cleaners do every effort to get to your place at the scheduled time frame, however, if traffic is too heavy due to rush hours, school season, road work, accidents, train line closures, or any other event that may affect their arrival time, keep in mind that your scheduled time frame will be affected.

**Schedule Changes / Cancellations:**

**1. Travel:** Our fees are based on regular service schedules. If your travel plans are going to interrupt your service schedule, please let us know in advance so that we can compensate you by providing extra service prior to your trip or after you get home. Keep in mind, that by helping some of our customers in the past, we have discovered a flooded basement, a broken patio door, and a broken sink while cleaning for clients that are on vacation as well as keeping an eye on your home while you are away.

**2. Sickness & COVID:** In the event that a member of your household is sick, please inform us as soon as possible and allow us to reschedule your service. We prefer that you wait 24 hours after the disappearance of symptoms before asking us to return if nothing related to COVID. Should you or someone in your household come in touch with a positive person, or be positive of Covid or just simply suspect of possible exposure, you must contact our office right away even after hours so we can skip your service, follow the quarantine guidelines and be back after the 10-14 days period. If someone of our team also becomes ill, or suspect of anything they will follow the same guidelines and only return to work after their quarantine period. If you would like, let us know and we will disinfect, strip beds and, weather permitting, open windows in addition to our regular service (only upon request). Ask us about our High Touching Cleaning and Thermal Fogging Disinfecting Services for either prevention or treatment of your environment.

**3. Change of Schedule:** If for any reason you may need to change your cleaning day, allow us at least a 72 hours notice so we are able to confirm availability for the requested day, and so we can fill in the schedule with another customer. Should you provide less notice we will do our very best, however, you may be incurred a full service fee in case you can not keep the service.

**4. Spontaneous / Late or Short Notice Cancellations:** All cancellations require at least 72 hour notice. If you fail to provide at least 72 hour notice giving us a late notice you will be

---

billed for 100% of the cost of the cancelled service. This fee may be waived or partially charged if you cancel before a couple of days to the day of scheduled service and:

a) If you reschedule the cancelled service to a day that is within two business days of the scheduled date; or

b) If we determine, in our sole discretion, that the circumstances of the cancellation made it impossible for you to give us the required 72 hour notice, such as illness or any other emergency.

If you fail to cancel service prior to our arrival for your scheduled service, you will be billed for the entire cost of the cancelled service, regardless of the reason for cancellation.

**5. Unintentional / Lock Out / Turn Away Cancellations:** If we arrive to clean your home on your scheduled day and we are unable to clean your house due to a situation such as a locked door or a hostile pet, you will be billed for a fee of 100% of your service rate. Prior to leaving, we will attempt to contact you twice over a period of fifteen minutes using the phone number you provide. If we are unable to reach you, we will leave and you will be charged. We can always try to come back the same day, but we can not promise as this may change totally the layout and routes of the schedule and we may be unable to get there on a reasonable time or not be in the area anymore. If we are unable to be back on the same day, we can always re-schedule to a different day, the fee can not be waived. Should we be able to be back, you won't be charged twice in a day.

In the event of no notice given and we are turned away at the door, you will be charged the full price of the scheduled cleaning. We are bonded and insured and the best way to ensure this does not happen is to help us to help you, we are willing to hold your house key(s) and/or alarm codes, or simply just use "the secret key system" keep your key somewhere hidden near your home/office to prevent accidental lockouts. Your time slot is yours; it is reserved for just you. If you cancel last minute it cannot be filled and we need to compensate our cleaners for that.

**6. Large Job Cancellations:** Cancellations for jobs which have been quoted at least \$300.00 or more for just an one off service or multiple days project also require at least 3 days notice (72-h). If you fail to provide at least 3 days notice, you will either be billed for 25% of the quoted cost of the job above \$1, 350.00 or you will be billed for a fee of \$250 for a first offense, and a fee of \$300 for a second offense. This fee may be waived if we determine, in our

---

sole discretion, that the circumstances of the cancellation made it impossible for you to give us the required 3 day notice.

**7. Unexpected irregularities:** Credits will not be issued for regularly scheduled tasks which we are unable to perform due to abnormal conditions in your property, such as a clogged drain, blown fuse, or any other circumstances such a lack of water, remodeling of a certain area without prior approval. Should you know of any conditions that may affect service please let us know as soon as you also do. Please notify us in advance if you are planning on repairs or renovations so that we can adjust your service accordingly.

**Security Alarms:**

If your home/office is equipped with a security system, please ensure that it is in the "off" position, or call our office with the code and proper directions for use. If the code should change, please let us know so you do not incur a lock out charge. DB will not responsible for any fees incurred by your alarm system company or local police officers due to lack of instructions.

**Door/Garage codes:**

Please advise the office when codes have been changed, we will update your information accordingly and it will allow our team to access your property smoothly.

**Pets:**

We love pets! However due to potential health risks, we do not clean litter boxes, urine or feces. If you have a pet that is the least bit aggressive, it will need to be absent from the areas we are cleaning. It is also appreciated if you could make sure your pet is safe and secure before our cleaning associates come to clean, we strongly suggest leaving them on a cage or a separate room or area they are safe.

**Tidying Up / Picking Up:**

It can help our team members if you pick up or put away any clothes, children's toys or other items before we arrive. You do not need to clean for the cleaner! However, the better your space is picked up, the better job we can do for you. If you just can't get things organized before we come, no problem, just know we will clean what we can get to.

---

**Laundry:**

We do not offer laundry services such as washing, drying, ironing, folding and putting away clothes or linens. However, should you really need help with this task, please contact our office so we may study your case and see a possibility of helping with part of the laundry or implementing this service with an additional hourly rate for your custom plan. Just keep in mind this is not something we normally do and it needs to be discussed prior with our representatives so we may find the best way to assist or direct you.

**Closed Doors:**

Please close the door(s) to any room(s) you do not wish to have cleaned and we will focus our energies elsewhere. Our Cleaning Technicians are trained not to clean any room with the door closed; so conversely, please make sure all rooms you want cleaned have doors opened. However, please do keep in mind, it is always good to let either your crew or someone at our office know the rooms you do not want to be touched. If we always clean a certain room, and a particular day that room is closed, the team will most likely clean that room even with the door shut, please always verbalize and advise us should anything change out of the normal. Please also keep in mind we have this policy in place to best assist all of our customers, but it is important that you keep us updated of any changes to any areas you may need or not cleaned. If you are just starting, you need to let us know what rooms are important or not important to clean so we can detail any important note pertaining to each area.

**Your Home:**

Please ensure that your home is in full working condition. Water and electricity must be available and turned on at the time of the cleaning if no one is living there. Please ensure accommodating temperature for our cleaning technicians during winter and summer time.

**Insurance:**

DB Cleaning Services is a professional house cleaning service that is fully bonded and insured with \$4,000,000 in general liability insurance for your protection. You may request our certificate of insurance if necessary, please contact our office at 215 253 6112.
